WIDESPREAD® 1000 | READ LABEL CAREFULLY BEFORE USING

This product must not be used for any purpose, or in any manner, contrary to the label unless authorised under appropriate legislation.

HAZARD CLASSIFICATION: 6.1D, 6.3A, 8.3A

TOXICITY

Danger - This product is corrosive and may cause eye damage.

Harmful - Harmful if swallowed. May cause skin irritation. When handling wear water proof gloves, eye protection, overalls and boots.

FIRST AID

If medical advice is needed, have product container or label at hand. If swallowed, Rinse mouth. DO NOT induce vomiting. If skin or hair contact occurs, remove contaminated clothing and flush skin and hair with running water. If skin irritation occurs: Get medical advice. If contact with eyes occurs, wash out immediately with running water for 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a POISON CENTER or doctor/physician. For advice, contact the National Poisons Centre 0800 POISON (0800 764 766) or a doctor if you feel unwell.

Approved pursuant to the HSNO Act 1996.
Code: HSRO02503. See www.epa.govt.nz for approval controls.

Agrecovery is available on plastic containers up to 60L and for plastic or steel large drums from 61L - 1000L.

HANDLING PRECAUTIONS

STORAGE

Keep out of reach of children. Keep product from freezing. Store in accordance with NZS 8409 Management of Agrichemicals. Store in original container tightly closed in a locked, dry, cool, well ventilated area away from foodstuffs, fertilisers and seeds. Stores containing 1000L of WIDESPREAD 1000 are subject to signage and secondary containment. More than 1000L require emergency response plans.

PERSONAL PROTECTION

Avoid contact with skin and eyes. Avoid inhalation of spray mist. When handling wear water proof gloves, eye protection, overalls and boots. Remove protective clothing and wash hands and face thoroughly before meals and after work. Do not eat, drink or smoke while using.

EQUIPMENT

Apply using well maintained and accurately calibrated equipment. Flush equipment thoroughly with clean water after use.

RECORD KEEPING

Records of use as described in NZS 8409 Management of Agrichemicals must be kept.

DISPOSAL

Triple rinse container and add rinsate to spray tank. Triple rinsed containers containing the Agrecovery logo on the label and that are free of all residues and have an intact legible label may be taken to an Agrecovery collection site for disposal. Otherwise crush or puncture and bury in an approved landfill. Do not burn container. Do not use container for any other purpose. Dispose of product only by using according to label directions or dispose of safely at a managed landfill.

SPILLAGE

In case of spillage, wear appropriate protective clothing and prevent material from entering waterways. Exclude non-essential people from the area. Contain liquid spills and absorb with inert material such as soil or sand etc. and place in waste containers. Wash area with water and absorb with further inert material. Dispose of waste safely in an approved landfill.

EMERGENCY RESPONSE

In transport emergency call 111, Police or Fire Brigade. For 24hr specialist advice in an emergency only call **0800 CHEMCALL (0800 243 622)**.

SAFETY DATA SHEET

If additional safety information is required, refer to the Safety Data Sheet. For a copy contact the customer centre on 0800 100 123.

SHELF LIFE

When stored appropriately this product should show no significant degradation for two years from the date of manufacture. Contact your supplier for further information about the use of any product that is older than this.

DIRECTIONS FOR USE

WIDESPREAD 1000 is a non-ionic general purpose spreader sticker spray adjuvant used to optimise the efficacy of agricultural herbicides, insecticides, fungicides, acaricides, plant growth regulators and defoliants. WIDESPREAD 1000 improves the wetting, spreading and contact activity of spray applications, providing more uniform coverage without excessive run-off.

MIXING

Always add WIDESPREAD 1000 to the tank last with the agitator running, when the majority of water has been added. Always read and follow all directions, mixing instructions and precautionary statements of the pesticide label that is to be tank mixed with WIDESPREAD 1000.

RATES OF USE

Application method	Situation	Rate per 100L Water
Ground	Herbicides, defoliant, desiccants	50ml
	Glyphosate formulations without surfactant (unloaded)	100ml
	Insecticides, fungicides, acaricides	25ml
	Plant growth regulators (Express gibberellic acid), micronutrients	25ml
	Soil sterilants	500ml
Air	All pesticides and micronutrients	50ml
CDA	All pesticides and micronutrients	50ml
		Rate per 10L water
Knapsack	All pesticides and micronutrients	3ml

Refer to the pesticide label of the product WIDESPREAD 1000 is to be mixed with for water rates per ha

HERBICIDES

WIDESPREAD 1000 is a highly effective aid to the application of both selective and non-selective herbicides for the control of nuisance herbaceous plants and grasses. Herbicide sprays containing phenoxy compounds will benefit from the addition of WIDESPREAD 1000 on hard to wet plants.

INSECTICIDES, FUNGICIDES, ACARICIDES

WIDESPREAD 1000 enhances the wetting characteristics of these pesticides and the contact activity with the target pest. The desired water volume will vary with plant size and type of foliage to be covered.

PLANT GROWTH REGULATORS

WIDESPREAD 1000 increases the effectiveness of plant growth regulators (such as Express gibberellic acid) increasing spray coverage, retention and plant growth regulator uptake.

DEFOLIANTS

Plant defoliation products require specifically timed and targeted applications. WIDESPREAD 1000 will help facilitate these applications based on the desired water volume.

WARRANTY AND LIMITATION

IMPORTANT: Read this notice before opening the container.

The registrant warrants that when packed the active ingredient of this product is as specified on this label within accepted analytical tolerances. The registrant gives only those other warranties that are required by law in relation to this product and limits its liability to the cost paid by the claimant for the product. The registrant declines all liability for damage resulting from the handling, storage or use of this product. The user bears the risk from the handling, storage or use of this product. The registrant is not liable for any use of this product which is contrary to the label directions given or any Act or Regulation.
