SALT (COARSE) | READ LABEL CAREFULLY BEFORE USING

Read label carefully and obtain special instructions before use. Do not handle until all safety precautions have been read and understood.

HANDLING PRECAUTIONS

May be harmful if swallowed or in contact with skin. Causes eye irritation. Wash hands thoroughly after handling.

STORAGE

Keep out of reach of children. Close and seal bag after use. Store locked up in a clean dry covered facility below 30°C and away from direct sunlight.

FIRST AID

If contact with eyes occurs wash out immediately with running water for several minutes. For advice, contact the National Poisons Centre **0800 POISON (0800 764 766)** or a doctor immediately. If medical advice is needed, have product container or label on hand.

EMERGENCY RESPONSE

In transport emergency call 111, Police or Fire Brigade. For 24hr specialist advice in an emergency only call **0800 CHEMCALL (0800 243 622)**. If additional safety information is required, refer to the Safety Data Sheet. For a copy, contact the customer centre on 0800 100 123.

DIRECTIONS FOR USE

For specific supplementation rates please consult Ravensdown, your veterinarian, nutritionist or fertiliser adviser. Do not exceed recommended rates. Cattle: 10-30g/cow/day as required. Sheep: 1-3g/sheep/day as required.
